Intended Department of Rheumatology, Monash University Department:	
Department:	
•	
Eunded By: ARA Victoria	
Amount: \$50,000	
Recipient: Dr Fabien Vincent	
Awarded: AFA/ARA Heald Fellowship	
Project: Rheumatology Group, Centre for Inflammatory Diseases Monash	
University	
Intended Identification of molecular signatures in Indigenous Australians with	th
Department: systemic lupus erythematosus.	
Funded By: Arthritis Australia	
Amount: \$ 50,000	
Recipient: Dr Kathryn Connelly	
Awarded: Victorian ARA Fellowship	
Project: Outcome measures in systemic lupus erythematosus (SLE)	
Intended School of Clinical Sciences at Monash Health, Monash University	
Department:	
Funded By: ARA Victoria	
Amount: \$50,000	
Recipient: Dr Jiao Jiao Li	
Awarded: Suzette Gateby Grant-in-Aid	
Project: A novel regenerative therapy for treating osteoarthritis	
Intended Kolling Institute, Faculty of Medicine and Health University of Sydr	iey
Department:	
Funded By: The Estate of Suzette Gateby	
Amount: \$15,000	
Recipient: Dr Joshua Zadro	
Awarded: Arthritis Australia Grant-in-Aid	

Project:	The development of a patient decision aid to reduce subacromial decompression
Intended	Institute for Musculoskeletal Health, Sydney School of Public Health,
Department:	Faculty of Medicine and Health, The University of Sydney
Funded By:	Arthritis Australia
Amount:	\$15,000
Recipient:	Dr Yingyu Feng
Awarded:	ARA Project Grant
Project:	Improving health outcomes through appropriate care: An Investigation
	of the Variations in Knee Replacement for People with Osteoarthritis in
	Australia
Intended	Institute of Bone & Joint Research, Rheumatology Department
Department:	University of Sydney, Royal North Shore Hospital
Funded By:	Australian Rheumatology Association
Amount:	\$15,000
Recipient:	Dr Ross Penglase
Awarded:	ARA Project Grant
Project:	Immune reconstitution following Autologous Haematopoietic Stem Cell
	Transplantation for Systemic Sclerosis (Scleroderma) St Vincent's
	Centre for Applied Medical Research (AMR) ARA
Intended	Rheumatology & Haematology St Vincent's Hospital/St Vincent's
Department:	Centre for Applied Medical Research/UNSW
Funded By:	Australian Rheumatology Association
, Amount:	\$15,000
Recipient:	Prof Marissa Lassere
Awarded:	ARA Project Grant
Project:	Treatment outcomes by gut microbiome shotgun metagenomic profiles
-	in patients with rheumatoid arthritis
Intended	Rheumatology St George Hospital, Department of Rheumatology.
Department:	
Funded By:	Australian Rheumatology Association
Amount:	\$25,000
Recipient:	Dr Luke Kelly
Awarded:	ARA Project Grant
Project:	A multi-system approach to understand painful midfoot osteoarthritis
Intended	School of Human Movement & Nutrition Sciences, The University of
Department:	Queensland
Funded By:	Australian Rheumatology Association
Amount:	\$15,000
Recipient:	Dr Ayano Kelly
Awarded:	Marion A Simpson Grant
Project:	Outcomes of adherence interventions in rheumatology
Intended	Medical School, Australian National University
Department:	
Funded By:	Estate of the Late Marion Alice Simpson
Amount:	\$15000
Recipient:	Dr Tiffany Gill
Awarded:	ARA Project Grant
Project:	Sleep, pain and physical activity
•	

L	
Intended Department:	Adelaide Medical School, The University of Adelaide
Funded By:	Australian Rheumatology Association
Amount:	\$25,000
Recipient:	Dr Justin Holland
Awarded:	Marion A Simpson Grant
Project:	Understanding rheumatoid arthritis suffers motivations and intentions
-	towards exercise prior and post undertaking a five week exercise trial.
Intended	School of Exercise and Nutrition Sciences, Queensland University of
Department:	Technology
Funded By:	Estate of the Late Marion Alice Simpson
Amount:	\$15,000
Recipient:	Prof Christopher Jackson
Awarded:	Arthritis Australia and the HJ & GJ McKenzie Grant
Project:	Loss of EPCR attenuates inflammatory arthritis in mice via inhibiting DC
	maturation and migration. Sutton Arthritis Research Laboratory
Intended	Sutton Arthritis Research Laboratory, Kolling Institute, University of
Department:	Sydney
Funded By:	Arthritis Australia and the Estate of Heather Joy McKenzie
Amount:	\$50,000
Recipient:	A/Prof Peter Malliaras
Awarded:	Arthritis South Australia and Arthritis Australia Project Grant
Project:	The efficacy of high versus low dose exercise for rotator cuff disease
Intended	Physiotherapy, Monash University
Department:	
Funded By:	Arthritis South Australia and Arthritis Australia
Amount:	\$30,000
Recipient:	Dr Cynthia Louis
Awarded:	Marion A Simpson Grant
Project:	Targeting specific cell survival proteins to treat inflammatory arthritis
Intended	Inflammation Division, The Walter and Eliza Hall Institute of Medical
Department:	Research
	(WEHI)
Funded By:	Estate of the Late Marion Alice Simpson
Amount:	\$15,000
Recipient:	Dr Laura Diamond
Awarded:	Eventide Homes Project Grant
Project:	Personalised hip joint load modification using real-time biofeedback
Intended	School of Allied Health Sciences, Griffith University
Department:	
Funded By:	Eventide Homes
Amount:	\$20,000
Recipient:	Prof Catherine Hill
Awarded:	ARA Project Grant
Project:	Development of a patient reported outcome measure (prom) for
-	glucocorticoid impact in rheumatic diseases
Intended	Rheumatology Unit, The Queen Elizabeth Hospital and University of
Department:	Adelaide

Funded By:	Australian Rheumatology Association
Amount:	\$15,000
Recipient:	Dr Helen Keen
Awarded:	ARA Project Grant
Project:	The epidemiology and longitudinal population-based outcomes with
	respect to gout in a Western Australian population based sample.
Intended	The epidemiology and longitudinal population-based outcomes with
Department:	respect to gout in a Western Australian population based sample.
Funded By:	Australian Rheumatology Association
Amount:	\$30,000
Recipient:	A/Prof Tony Kenna
Awarded:	Arthritis WA and Arthritis Queensland GIA
Project:	Personalised medicine in the treatment of ankylosing spondylitis
Intended	School of Biomedical Sciences, Institute of Health and Biomedical
Department:	Innovation
Funded By:	Arthritis Western Australia and Arthritis Queensland
Amount:	\$40,000
Recipient:	Dr Feng Pan
Awarded:	Reckitt Benckiser (Nurofen) and Arthritis Australia Grant
Project:	The role of systemic inflammation in osteoarthritis pain trajectories
Intended	Menzies Institute for Medical Research, University of Tasmania
Department:	
Funded By:	Reckitt Benckiser (Nurofen) Grant and Arthritis Australia
Amount:	\$44,000
Recipient:	Dr Jenny Setchell
Awarded:	ARA Project Grant
Project:	Improving delivery of the biopsychosocial approach: enhancing low back
	pain healthcare practice.
Intended	School of Health and Rehabilitation Sciences, the University of
Department:	Queensland
Funded By:	Australian Rheumatology Association
Amount:	\$45,000
