Website Link Criteria	Yes/ No	Demonstrate by <i>(please detail)</i>	Please reference or provide supporting documents e.g. web pages url
Is your organisation a health related not-for-profit organisation with aims and objectives congruent to those of Arthritis Australia?			
Is your organisation a peak and/or government body representing consumers with a medical condition?			
Does your organisation provide a specific service to people living with arthritis?			
Does your organisation receive a high volume of requests about arthritis?			
Does your organisation's website have direct relevance to people living with arthritis?			
Does your organisation's website provide health information for people living with arthritis?			
If your website provides health information, does it meet NHMRC guidelines ?			
Is the information on your website trustworthy, based on quality research and kept up-to-date?			

If you believe your organisation meets our criteria, please complete this form and email it to Arthritis Australia at info@arthritisaustralia.com.au

We will contact you once we have received your request and have completed our assessment. This process may take up to 3 months. Additional information may also be requested during this process.
